is a summer reading campaign for families and primary school children.
The Treasure Hunt campaign will run until 31 August.
You can complete as many Treasure Hunts as you like.

The Treasure Hunt includes various reading and summer-related tasks. To complete the Treasure Hunt, move forward stone by stone towards the finish line. Colour the stones as you make progress. Once you have completed all of the Treasure Hunt tasks, present this pass at the library. In return, you will get a character you can colour or draw as any character you want, for example as a pirate, a captain, or whatever you like. Your character will get to go on an adventure on a treasure ship. For more information, visit the library.
